

Bridges, Towns and People

Sumitomo Mitsui Construction is a comprehensive construction company committed to building infrastructure that improves safety and convenience for people everywhere.

For every customer, every resident, and every family whose lives we touch, we seek to fulfill each of their hopes as well as our own while at the same time preserving our environment and prosperity for future generations.

We do this through our commitment to building infrastructure that people use on a daily basis, whether crossing a bridge, strolling about town or spending time with loved ones.
