Sumitomo Mitsui Construction

Bridges, Towns, and People

Connecting people and communities with new value

Sumitomo Mitsui Construction is a comprehensive construction company committed to building infrastructure that improves safety and convenience for people everywhere.

For every customer, every resident, and every family whose lives we touch, we seek to meet their hopes and expectations as well as our own, at the same time preserving

the environment and securing prosperity for future generations.

We are committed to building infrastructure that people use on a daily basis, whether crossing a bridge, strolling around town, or spending time with loved ones.

Editorial Policy: In fiscal 2006, Sumitomo Mitsui Construction began issuing CSR Reports in order to give a broad outline of its environmental, social and governance (ESG) initiatives that were not covered in the company's financial statements. From fiscal 2015, Sumitomo Mitsui Construction switched to issuing a corporate report containing additional financial information, including operating results, management strategy, and business overviews, as a tool to facilitate two-way communication with all stakeholders, bringing together its overall initiatives for improving corporate value.

Period Covered: From April 1, 2022 to March 31, 2023 (includes some initiatives conducted before and after the period)

Organizations Covered: Sumitomo Mitsui Construction Co., Ltd. and its consolidated subsidiaries

Referenced Guidelines: International Financial Reporting Standards (IFRS), Guidance for Collaborative Value Creation
